WATERVILLE SEED LIBRARY

OPEN TO ALL
starting Friday, March 20, 2026

Come into the Library during open hours and choose from over 20 locally-sourced seed varieties, all residing in our beautiful, repurposed card catalog.

Completely free to all!

What is the Waterville Seed Library?

The Waterville Seed Library provides community members the resources to grow their own healthy, sustainable food at no cost. The seed library helps to reclaim seeds as a public resource and fosters a culture where local growing knowledge is easily shared. In concert with the Waterville Public Library's purpose and mission, we celebrate human diversity in our community and strive to be inclusive and accessible to all.
