

3rd Friday of Every Month • 3:30 - 4:30 pm

Colby Program Room, Waterville Public Library

Give yourself permission to make something imperfect, and just enjoy yourself.

Every meeting offers **adults** and **teens** the opportunity to try new things and be creative without the pressure of making something "good", or worrying about how art is "supposed" to look.

This event is free, and open to the public.
Adults and teens welcome.
